### [Nevada Revised Statute \(NRS\) 625.050](#) “Practice of professional engineering” defined.

1. “The practice of professional engineering” includes, but is not limited to:

(a) Any professional service which involves the application of engineering principles and data, such as surveying, consultation, investigation, evaluation, planning and design, or responsible supervision of construction or operation in connection with any public or private utility, structure, building, machine, equipment, process, work or project, wherein the public welfare or the safeguarding of life, health or property is concerned or involved.

(b) Such other services as are necessary to the planning, progress and completion of any engineering project or to the performance of any engineering service.

2. The practice of engineering does not include land surveying or the work ordinarily performed by persons who operate or maintain machinery or equipment.

### [Nevada Revised Statute 625.520 3 + 4](#) Unlawful practice of engineering: Penalty; injunctive relief.

1. Except as otherwise provided in subsection 4, it is unlawful for:

(a) Any person not properly licensed or exempted in accordance with the provisions of this chapter to:

(1) Practice, continue to practice, solicit to practice, offer to practice or attempt to practice engineering or any discipline thereof;

(2) Employ, use or cause to be used the term “licensed engineer,” “professional engineer” or “registered engineer” or any combination, variation or abbreviation thereof as a professional or commercial identification, representation, claim, asset or means of advantage or benefit;

(3) Employ, use or cause to be used the term “engineer,” “engineering” or “engineered” or any combination, variation or abbreviation thereof as a professional or commercial identification, representation, claim, asset or means of advantage or benefit without disclosing that the person is not qualified, registered or licensed to practice professional engineering in this state; or

(4) Directly or indirectly employ any means which in any manner tends or is likely to mislead the public or any member thereof that any person is qualified or authorized to practice engineering.

3. This section does not prevent a contractor licensed in accordance with the provisions of chapter 624 of NRS from using the term “engineer” or “engineering” if the term is used by the State Contractors’ Board in describing a specific classification.

4. The provisions of subparagraph (3) of paragraph (a) of subsection 1 do not apply to any corporation using such a term in its corporate name, if the corporation:

(a) Files its articles of incorporation with the Secretary of State; and

(b) Files with the Board a written statement signed by a corporate officer under penalty of perjury in which the officer states that the corporation:

(1) Is not practicing or offering to practice engineering in this state; and

(2) Will not do so unless it is licensed or exempted in accordance with the provisions of this chapter.
