

NAC 625.611 Plans, maps and specifications submitted to public authority: Contents; stamps and signatures. ([NRS 625.140](#), [625.565](#))

1. Plans or maps submitted to a public authority must include:
 - (a) The name, address, electronic mail address and telephone number of the firm which submits the plans or maps;
 - (b) The name and location of the project for which the plans or maps are submitted; and
 - (c) The date the plans or maps were printed or finalized for electronic submission and a statement which indicates whether the plans or maps are preliminary or final.
2. If the plans or maps submitted to a public authority are:
 - (a) Original plans or maps, each sheet of the plans or maps must be dated, stamped and signed by each licensee who had responsible charge of the work indicated on the sheet. If the licensee is a licensed professional engineer, the licensee must date, stamp and sign the plans for each discipline of engineering for which the licensee is licensed that is related to the work for which the licensee is responsible.
 - (b) Copies of the original plans or maps, the cover sheet and the first sheet for each discipline of engineering of the plans must be dated and stamped and include a signature of the licensee who had responsible charge of the work indicated on the sheet.
3. Each set of specifications submitted to a public authority must include a table of contents or cover sheet that:
 - (a) Indicates the discipline of engineering that is the source of each specification; and
 - (b) Contains the stamp of, and is signed and dated by, each licensee who had responsible charge of that discipline.
